HOMELINE

The Neighborhood Newsletter of West Laurel

PRESIDENT'S MESSAGE

With the new school year comes a new fiscal year for the West Laurel Civic Association and a new slate of initiatives from the WLCA, classes sponsored by the West Laurel Recreation Council, and a myriad of sports, scouting, and school events. So please slow down on our roads, stop at the stop signs, yield in the crosswalks, and stop when school busses have their red lights on. Remember the speed limit on Bond Mill is only 30 miles-per-hour and our surface streets 25 miles-per hour. I have asked the Prince Georges Police who patrol our neighborhood to help by enforcing these limits.

Last year the WLCA worked on several initiatives to improve the

quality of life for our residents. As a result we have a community police officer, PFC Beasock, a fledgling Neighborhood Watch program, and a relationship with Partners in Care. Updates on all are in this issue.

This year we are working hard to expand on many of our programs. The small neighborhood meetings were a real success with many of you enjoying an opportunity to meet your neighbors and talk about issues unique to your area of West Laurel. This year, we are continuing the meetings, but with a twist. We will combine some of the small areas and add special topics that include a night with the police, an evening with DER to discuss con-

(Continued on page 7)

WLCA FALL GENERAL MEETING

Thursday, October 21

7:30 PM

WEST LAUREL
COMMUNITY BUILDING
LOCATED AT INTERSECTION OF BOND
MILL & BROOKLYN BRIDGE ROADS

TOPICS

- **WLCA Budget**
- **Good Neighbor Award**
- **Fire Safety**
 - **Prevention**
 - **What YOU should know**
- **Elected Officials**
- **Neighborhood Q&A**

MEETING TOPICS

It has been a very hot and very dry summer — the area is down 6 inches of rain — creating drought conditions, and the risk of fires is high. Over the past several years, West Laurel has had the misfortune to have several homes catch fire with disastrous results. In April a home on Jerald burned to the ground with the family escaping with only the clothes on their back.

The October General meeting main speakers will be from the Laurel Volunteer Fire Department

and other specialists to talk about fire safety. How do you prevent fires? What should you know about fire safety? How do you catalog your possessions and file a claim? Is your electrical box up to code or is it a danger? These are just a few questions that we all have. So come and be prepared to learn.

The meeting also serves as the launching pad for the new fiscal year. To support our membership drive, there will be a large membership table set up at the entry for

FALL GENERAL MEETING • OCT 21 • 7:30 PM • COMMUNITY BUILDING

WEST LAUREL HOUSING VALUES

Prices of homes in West Laurel appear to be on the upswing. Twenty-three (23) homes were sold in the 2nd quarter

of 2010 — a decided uptick in sales — twenty-one (21) homes in Prince George’s County and two (2) in Montgomery County. In addition to

the homes sold, there were two (2) no-cost property transfers in West Laurel (Prince George’s and Montgomery counties).

Jan-Mar ‘10	16	\$476,565	\$79,137	\$700,000

Total 2007	54	\$458,806	\$335,000	\$1,200,000

The chart to the left shows home sales from 2007 to present for all homes sold in the West Laurel areas of Montgomery and Prince George’s Counties. It does not include no-cost property transfers or unimproved property.

For more information visit the Maryland Department of Assessments and Taxation web site at http://sdatcert3.resiusa.org/rp_rewrite/. First, select the county you’d like to search. You can then search by address, property sales, property account, or map references. West Laurel addresses in Prince George’s County are located in District 10, Maps 2 and 5; West Laurel portions of Montgomery County are located in District 05, Maps LS11, LS21 and LS22. ❖

FAMILY FUN IN & AROUND WEST LAUREL

The West Laurel Recreation Council (WLRC) meets on the 4th Wednesday of every month at 7:30 PM at the West Laurel Community Building. You don't need to commit a lot of time to be a part of the WLRC. Why not stop in for a night to see what the WLRC is all about?!

On Friday, December 3, the WLRC will hold its Annual Holiday Party from 7:00 pm to 9:00 pm at the West Laurel Community Building. This FREE family event

features crafts for the children, music and snacks. Visit with friends and neighbors. Please bring a favorite holiday finger-food snack to share as well as a new, unwrapped toys for LARS to distribute to area families.

The WLRC will also hold its annual West Laurel Swim Night at Fairland sometime in February 2011. Look on the West Laurel Yahoo group and in the local newspapers for announcements about this fun,

break-up-the-winter get together at the pool.

Last but not least, mark your calendars now for the Annual Egg Hunt at the West Laurel Community Building on Saturday, April 16, 2010. As always, the egg hunt will begin at 10 am sharp (eggs will be gone by 10:02)!

For more information about the WLRC or these events, contact Kim Passmore, Rush Kester, Carmen Camacho, Eric Sokolowsky or Betty Mannas. ❖

WELCOME, NEW NEIGHBORS!

The West Laurel Civic Association (WLCA) extends a warm welcome to the families who became residents of West Laurel this spring and summer. Every homeowner is automatically a member of the Civic Association and, upon payment of the \$15 annual dues, entitled to vote.

West Laurel is a vibrant community with many volunteer opportunities, including the civic association, recreation council, and Bond Mill Elementary School. We look forward to meeting you at the October 21 West Laurel Civic Association General Meeting.

Welcome, new neighbors! ❖

Thanks to everyone who contributed to this edition of *Hotline*: Melissa Daston, Beth Evans, Cindy Long, Kim Passmore, Tony Spezio, and of course our wonderful Community Police Officers!

NEIGHBORHOOD WATCH

West Laurel's Neighborhood Watch sends a warning to anyone entering our community with harmful intentions to beware. We are a neighborhood that cares. We are neighbors who observe what is happening around us. We are neighbors who have a special liaison with the police and will alert them to anything suspicious going on here.

This new program, under the direc-

tion of our community officer, PFC James Beasock, and assisted by District VI Watch Coordinator, Cpl. Gerald Knight, will hold regular meetings to devise ways to improve the safety for everyone. Won't you join us and be a part of the solution?

We have had several meetings and our first Neighborhood Walk. Regular meetings are held to share information and expand our knowl-

edge. If you are interested, you may sign up at these meetings or contact Neighborhood Watch Coordinator Beth Evans (301-490-5679) and provide your name, address, telephone number, cell phone number and your email address.

Each of the five areas of West Laurel will be asked to elect a captain. The captain will report to the Neighborhood Watch Coordinator on a regular basis.

Meetings will be held every 4 to 6 weeks. To accommodate residents, the meetings will be held on different days of the week so that everyone will have a chance to participate.

Look for information on meetings on the West Laurel Yahoo discussion board, local papers, by phone or by email. Hope to see you at future meetings.

MESSAGE FROM CORPORAL KNIGHT

My name is Cpl. Gerald Knight and I am the District VI coordinator for Neighborhood Watch and Walk. I want to congratulate West Laurel in the progress it has made in bringing these important programs into your neighborhood.

When I first spoke to you at your area meetings last year, I was met with some skepticism. Eventually the mood changed. The attitude went from "no, not for us" to "let's give it a try." You won't be sorry and you will see results. The seeds have been planted and roots are starting to develop. I take pride in watching this program grow because I have a special fondness for your area. You will see me at future walks and meetings. Come up and say hi. ❖

PARTNERS IN CARE

At the February 2010 WLCA General meeting, a representative of Partners in Care spoke of the service bartering they organize among senior residents. Partners in Care promotes seniors' independence by helping them trade services that they can perform for services they can no longer perform. The WLCA Board considered that Partners in Care bartering could enable our residents to "age in place" independently rather than relocate out of West Laurel when the ravages of age or circumstance reduce the services they are able to perform for themselves.

A small group of West Laurel residents joined Partners in Care as a trial to see if their service would support the WLCA objective

of keeping aging West Laurel residents in their homes.

Although it is far too early to assess the effectiveness of this operational concept for our objectives, I would like to relate one of my service experiences just to

keep the West Laurel community aware that efforts, however humble, are being expended toward this objective.

Although most Partners in Care service requests designate transportation for necessities and medical services, the first request for my services cited the need for construction of an exterior handrail and repair of a deteriorating masonry stoop on a home belonging to an elderly lady in Gambrills. After visiting the property to assess the task, I consented to do the work and made a trip to the local hardware to acquire materials.

I scheduled a cool (90°F) July day for the task, loaded tools along with the materials on my truck and arrived at the site at 9:00 AM. I mounted two treated lumber newel posts to the masonry stoop and a treated lumber rail between the newel posts. Afterward, I cleaned debris from the broken stoop and mortared new bricks into the voids. After inspecting the work with the client, obtaining approval, and taking my leave, I arrived home before the afternoon rush. ❖

COMMUNITY POLICING

by Officer James Beasock

Hi everybody. It is hard to believe that I have been the West Laurel Community Policeman for a year. Last October, when I assumed responsibility for your area, I was pleasantly surprised by the enthusiastic welcome that I received. I hope that I have lived up to your expectations. Together we have made great progress in taking “a bite out of crime,” but there is still work to be done. I know that I can count on your continuing support. I would like to list some of our accomplishments and some areas where improvements are needed.

ACCOMPLISHMENTS

By far the biggest accomplishment this past year has been the establishment of the Neighborhood Walk and Watch programs. It is a fact that crime is greatly reduced in communities that have an active program such as this.

Obviously I can't be everywhere all of the time. The police desperately need feedback from residents in the community. I have some ideas for future Watch meetings and would love to have suggestions about ways to improve the program from you.

Hopefully residents from the various areas in West Laurel will take the lead and initiate walks down their streets to let everyone know that our citizens care about each other.

The neighborhood Yahoo group has been a valuable tool for me to get to know everybody and have everyone learn about me. I have been an active participant and have extracted much information from this line of communication.

I also attend most of the West Laurel Civic Association community

meetings. This is a great way to meet people face-to-face.

AREAS FOR IMPROVEMENT

Riding Stable Road, Brooklyn Bridge Road, Bond Mill Road and Bounds Avenue are not speedways. The police will continue to monitor these streets to discourage any disregard for the speed limit. I would much rather meet you face-to-face at a community event than behind my cruiser with the flashing lights.

Please report all crimes and suspicious activity to the police. You may be the person who provides the information I am waiting for to solve a crime or a series of crimes.

In closing let me say that I enjoy being your community policeman and look forward to seeing you around the neighborhood. ❖

COFFEE FOR SENIORS

by Officer Kenneth Hibbert

Attention all seniors in West Laurel. You are invited to a coffee the first Thursday of every month. The coffees start at 1:00 PM and are held at District VI substation 2 (13310 Laurel/Bowie Road). Come and enjoy an informative hour with your peers.

Our speaker for September was Karen Straughn of the Consumer Protection Division of the Maryland Attorney General's Office. You may have seen her visit featured in the September 9 edition of the *Laurel Leader*. Many of Mrs.

Straughn's tips pertain to everyone. For example:

If you or your doctor believe that you need urgent care, but your health plan does not agree, you should call the Maryland Insurance Administration's toll free number (1-800-492-6116) to review your case. They will render a decision within 24 hours and can order the plan to pay for the treatment.

How do you know if the charity you are being asked to support is legitimate? In most states charities

must register with the Attorney General's Office, but in Maryland charities must register with the Secretary of State of Maryland. So if the charity claims to be registered with the attorney general, you know the charity is not legitimate.

If you want believe you are being scammed, call the Consumer Protection hotline at 410-528-8662.

In October, I will give tips on how seniors can stay safe for Halloween. See you at the coffee. ❖

NEWS YOU CAN USE

IMPORTANT!

VACUUM LEAF COLLECTION DISCONTINUED

As a West Laurel homeowner, you're used to the routine: leaves fall and you sweep them to the curb for the annual vacuum leaf pickup. Not this year! *Prince George's County has discontinued its vacuum leaf pickup program* as part of its cost cutting measures. Please be sure to pass the word to your neighbors -- if they're not aware of this change, they could sweep their leaves to the street, which would create a potentially hazardous situation for everyone in the community once it rains or snows.

The County will still pick up your bagged leaves as part of its yard waste collection program. West Laurel's yard waste is collected each Wednesday from April 15 through January 15. For more information about the yard waste collection, you can contact the Department of Environmental Resources at 301-952-7680.

FALL/WINTER CLEANUP

Last year the WLCA worked with the Prince George's County Department of Public Works to arrange dumpsters at the Community Building in December 2009 and June 2010. Both times, it was a big success in helping residents get rid of unwanted materials.

We are working with the County to schedule dumpsters again this fall or winter; however, as you know the County is experiencing budget shortfalls, so our plans are on hold. Look for updated information on the West Laurel Yahoo discussion site.

RECYCLE PRINTER CARTRIDGES & CELL PHONES AT BOND MILL ES

The Bond Mill PTO collects empty printer cartridges and used cell phones as an ongoing fundraiser. Through the Funding Factory Recycling Program, we can earn new technology, classroom tools, playground equipment and more just by recycling printer cartridges and cell phones. Please save cartridges from your home printer and send those along with your used cell phones to the school with your child.

If you work for a business that uses laser or inkjet printer cartridges or cell phones, please inquire as to what is done with those items once they are used. Bond Mill would love to have your employer as a business supporter. FundingFactory offers FREE prepaid shipping labels to all businesses that collect cartridges and cell phones on our behalf. If you think that your employer might be interested in participating, please contact Cindy Long at ces625@hotmail.com or 301-325-0810.

RECYCLE PAPER AT BOND MILL ES

The Bond Mill PTO thanks West Laurel residents for your continued participation in our mixed paper recycling program. We fill up our bins faster than many other schools in the area and check the bins regularly so that you can continue to fill them up!

Our new green & yellow bins are located to the left of the school by the entrance to the cafeteria. It is best to avoid school arrival and departure times when dropping off your paper (7:00-8:00 AM, 1:15-2:15 PM). The bins are available 24 hours a day, 7 days a week, 365 days a year.

Cartridge Recycling Program

Acceptable items for the bins are newspapers, school and office papers, junk mail and shredded paper (please bag your shreds before putting them in the bin). We especially appreciate your magazines, catalogs, paperback books, spiral notebooks and soft-cover workbooks — these items are particularly helpful because they are heavy and we are paid by weight, not volume.

Since the new bins were installed in March, we have recycled 12.49 tons of mixed paper! Our best month was May, during our Magazine Marathon, when we recycled 3.74 tons. Keep those magazines & catalogs coming, please!

We cannot accept cardboard, food boxes, fiberboard or chipboard, textbooks or other hardcover books, and phone books.

Please also do NOT put cardboard, trash or glass/metal recycling in this bin!

If you find the bins are full, please call Cindy Long at 301-325-0810. ❖

cerns, and an evening with the Department of Public Works. A total of six dates have been set aside on the calendar and we are lining up the speakers. Stay tuned on the Yahoo discussion board for dates and topics.

As many of you know, modifications to the Subregion I Master Plan including rezoning of property at the entrance to West Laurel was proposed last Spring. The County Council’s Resolution of Approval CR-58-2010 incorporated many of the suggestions proposed by the WLCA including retaining the existing zoning for the property on Sweitzer Lane and all along route 198. Thanks go to the WLCA Board members and individuals who testified.

Finally, we are extremely fortunate to have returning and new volunteers working on the Board on your behalf. However, we still need your help. If you are interested in donating a few hours to canvass for new members, serve as secretary on the Board, or sponsor a special project, please let me know.

Melissa Daston

FALL MEETING TOPICS

you to drop off your dues and volunteer to canvas the neighborhood. Also on the agenda is a vote on our annual budget, an update on the entry sign, and a short presentation on options for a new library building in Laurel. Of course, our own Cub Scouts will open the meeting.

I look forward to seeing you on October 21 at the West Laurel Community Building at 7:30 PM. ❖

2010-2011 WLCA BUDGET

The 2010-2011 WLCA Budget will be voted on at the Fall General Meeting. Please read the information below and bring any questions or comments to the Fall General meeting on October 21. WLCA has generally kept a balanced budget, but it has been hard with a fluctuating number of members in recent years. We need over 500 households to balance this year's budget. We're proud to be one of the largest civic associations in Prince George's County, and having that stature is an effective tool in certain forums. Please join WLCA and support your community.

SUPPORT WLCA – JOIN TODAY!

Autumn brings with it a new year for the West Laurel Civic Association (WLCA) and the occasion to join our neighbors in renewing our WLCA membership. Our volunteer civic association provides West Laurel residents with collective representation at all levels of government and public service offices that cost residents of incorporated communities hundreds of times the WLCA annual \$15.00 membership. A single membership enrolls an entire household for the period of September 1, 2010 through August 31 2011.

WLCA promotes the interests of our residents in county and state

governments on issues including zoning, legislative action, safety, environment, education and recreation. This is the best deal in town, so be sure to complete the membership form below and include your \$15.00 check payable to WLCA. Either mail or hand deliver it to our membership table at the

7:30 PM October 21, 2010 WLCA General Meeting held at the West Laurel Community Center. WLCA gratefully accepts donations in addition to the membership fee.

If you are interested in supporting this year's membership drive, please note your interest on your membership forms or contact Tony Spezio Sr. (301-498-3436) to volunteer your services. A modest number of homes (12-24) will be assigned to each canvasser in his or her own neighborhood. In this way, new West Laurel residents and those not currently WLCA members can be enlightened about the role the Civic Association plays in our community. ❖
